THE BIG STORE A CITY IN ITSELF  
**SIEGEL & COOPER CO.**  
SIXTH AVE MEET ME AT THE FOUNTAIN 1849 STS.

And too many others to briefly recount. Sherman's "Phantasma" continues an attraction of great interest in the Auditorium, throngs flocking thither daily. Performances begin at 11 A. M. No charge for admission.

## Lowest Prices of the Year for Furniture.

Continuation of the Great Mid-Summer Sale.

A vast Furniture business, such as the Siegel Cooper Store does, tolerates no lethargy. It must move incessantly and smoothly in every section like some splendidly constructed bit of sensitive mechanism.

Such enormous stocks of Furniture cannot be gathered without spending months in carefully selecting and ordering what an intelligent and discriminating public naturally expects from The Big Store.

More than a dozen States contribute to the gigantic Mid-Summer Sale, and the stock embraces everything the word furniture defines. It's a brilliantly attractive exposition floor, each line of Furniture being arranged according to classification and each piece bearing its price plainly marked.

You Save More on Your Purchases This Year than You Ever Did Before Anywhere.

And that in spite of the fact that market prices are steadily advancing, because we have made the prices lower than our own hitherto lowest prices and lower than any one else can ask for similar qualities. We are caring more for plenty of lively business now than for profits.

## Summer Shoe Clearance.

Sale Better Now Than When It Started.

Because it is an ironclad rule of this business not to carry Shoes from one season to another, we hold these sales twice a year.

This year we are able to offer you better shoe bargains than ever before, mainly because on account of a disturbed market during Spring we purchased exceptionally large lots from manufacturers who, being hard pressed for money, were eager to make many extraordinary sacrifices.

We sold these Shoes earlier in the season in some instances at 1/4 to 1/2 under the regular prices; and now that further reductions are made the bargains become still more irresistible. For there must be no delays. All remaining lots must be cleared in a hurry.

Therefore good Shoes and Oxfords for Men, Women and Children are assorted thus:—

All Shoes and Oxfords of discontinued patterns that were \$1.50 and \$2.00 are now	All Shoes and Oxfords of discontinued patterns that were \$2.50 to \$5.00 are now
